

Now it came about in those days that a decree went out from Caesar Augustus, that a census be taken of all the inhabited earth. This was the first census taken while Quirinius was governor of Syria. And all were proceeding to register for the census, everyone to his own city. And Joseph also went up from Galilee, from the city of Nazareth, to Judea, to the city of David, which is called Bethlehem, because he was of the house and family of David, in order to register, along with Mary, who was engaged to him, and was with child. And it came about that while they were there, the days were completed for her to give birth. And she gave birth to her first-born son; and she wrapped Him in cloths, and laid Him in a manger, because there was no room for them in the inn.

And in the same region there were some shepherds staying out in the fields, and keeping watch over their flock by night. And an angel of the Lord suddenly stood before them, and the glory of the Lord shone around them; and they were terribly frightened. And the angel said to them, "Do not be afraid; for behold, I bring you good news of a great joy which shall be for all the people; for today in the city of David there has been born for you a Savior, who is Christ the Lord. And this will be a sign for you: you will find a baby wrapped in cloths, and lying in a manger." And suddenly there appeared with the angel a multitude of the heavenly host praising God, and saying, "Glory to God in the highest, And on earth peace among men with whom He is pleased."

## GC business picking up

By SUSAN SIGNAIGO-WEICH  
Staff writer

GRANITE CITY — Business in the city is picking up.

Since mid-October, 12 new businesses have opened up shop, with three of them located in the downtown area.

RC Bush, executive vice president of the Tri-Cities Area Chamber of Commerce, said he's pleased with the increase.

"IT'S A RISK to go into business for yourself today," he said. "This

increase illustrates the confidence people have in the community."

Bush said the gain in businesses does not reflect any new push by the city or Chamber.

"We've been constantly trying to urge business to locate here by pointing out our opportunities," he said. "I think what's especially significant about the figures is that one-fourth of the businesses opened up downtown, where we really need it."

Mayor Von Dee Cruse said the number of businesses opening up is encouraging.

"EVEN THOUGH most of the new businesses are small, they are employing people," he said.

The future of the city is looking even better with the prospect of Eticam Inc. moving to the city, he said. This could mean 100 to 225 immediate jobs.

"I think this proves we're not a dying town," he said. "We're starting to change our image."

NEW BUSINESSES opening since Oct. 17 include: Stained Glass Connection, 4037 Sara St.; Dr. King

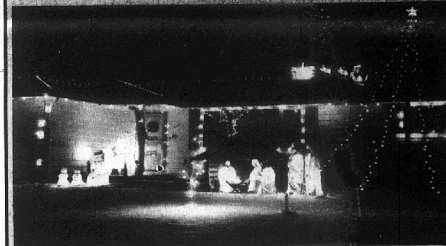

D.C., 1509 23rd St.; J.C. Penney Catalog Sales Center, 3801 Nameoki Road; The Medicine Shoppe, 3675 Nameoki Road; The Clothes Tree, 1235 19th St.; A Taste of Italy, 2624 Washington Ave.;

Movie Mania, 3050 Iowa St.; Past and Present Corvettes, 4150 Nameoki Road; Abbey's Auto Sales, 2309 Nameoki Road; Nails by Elizabeth, 1296 Niedringhaus Ave.; Home Spun Gift and Custom Fram Shop, 1312 19th St.; and R.C. Window Contractors, 1600 Bremen Ave.

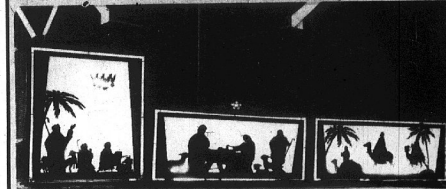

## Lighting contest winners

**CLASS ONE** — The home of Steve and Sherri Watson, 919 Lee St. in Madison, took top honors in judging of Class One, \$300 or less expenditure. A Christmas tree and life-size Santa and snowman were used to illuminate the home, which also featured Christmas music.

**CLASS THREE** — A manger scene, Santa and his sleigh, and thousands of lights won the Class Three, \$750 and over, first place honors for Clifford Dunliph, 633 Chouteau Ave. in Mill Creek. Class Two, \$301 to \$750, was won by Oran Brooks of Cahokia.

**CLASS FOUR** — Concordia Lutheran Church, 2305 Grand Ave., won the Class Four judging for schools and churches. A manger scene made with large shadow boxes graces the lawn of the church. The church displays the scene annually. (Staff photos by Patrick Foley)

**READY AND WILLING** to give blood once again are Hazel Murphy and Bob Braundmeier. She received her 10-gallon pin from the Red Cross in July for giving her 80th pint and he has donated in excess of 5 gallons. ## They bring blood to those in need

By PATRICK FOLEY

Church Women United can count on at least two people to show up to donate blood during their two-day drive Thursday and Friday.

Hazel Murphy and Bob Braundmeier will be at the St. Elizabeth School cafeteria one of the days to spend less than an hour of their time to give a pint of blood.

**BOTH OF THEM** feel it's the least they can do to help save another person's life. And that's just what giving blood can and does do every day.

The problem of critically-low blood supplies in the St. Louis area is even more pronounced during the holiday season because of the rise in traffic accidents, dramatically increasing the need for blood.

The American Red Cross Bi-State Chapter's blood services office administers the regional blood program which supplies 140 hospitals in 80 counties surrounding St. Louis.

**THE RED CROSS** needs to collect 1,000 units, or pints, of blood each day to meet the regular needs of these hospitals. And the holiday season adds to the demand, already stretched by additional organ transplant operations being performed in this area.

Mrs. Murphy, 68, must now receive special permission from her doctor to give blood because of her age, but she has already given more blood than most donors do in their lifetimes.

On July 8 she received her 10-gallon pin when she gave her 80th pint of blood.

Braundmeier is not far behind. He has given more than 5 gallons of blood since he began giving and is now involved in another type of blood donation.

**HE IS A PARTICIPANT** in the pheresis program at Barnes Hospital in St. Louis on a regular basis.

When his particular type is needed by a leukemia patient there, Braundmeier is hooked up to a computerized machine that extracts blood from one of his arms, removes the needed platelets from his blood, and returns his blood through his other arm.

The process takes about 1½ hours to complete, but Braundmeier doesn't mind the time.

**THE PLATELETS** are needed for transfusion into the waiting leukemia patient to help control coagulation of the recipient's own blood. Braundmeier's platelets must be given to the patient within 24 hours.

Murphy has been giving blood since World War II and says she'll continue until her doctor advises against it. Those over the age of 66 must have their doctor's written consent before they are allowed to give blood.

"I started during the war in the blood drives where I worked. I did the recruiting of blood donors in the office, so I thought I had better volunteer, too," she said.

Neither has had any bad experiences giving blood, though Mrs. Murphy has been turned down on occasion.

## County Board approves bid for work on East 23rd Street

By SUSANNE INDELICATO  
Staff writer

MADISON COUNTY — C.D. Peters Construction Co. of Granite City submitted the low bid to widen and resurface East 23rd Street from

Monroe Avenue to Nameoki Road. Peters' bid of \$548,646 was the lowest of four received.

The Madison County Board voted Dec. 18 to award the contract to C.D. Peters. The bid has been approved by the Illinois Department of

Transportation and is below an engineer's estimate, it was noted.

Other highway improvement matters coming before the board included a long-range plan of highway improvements for a five-year period beginning Jan. 1, 1986. Local pro-

jects in the plan include the following:

- Oldenberg Bridge over Cahokia diversion channel, Chouteau Township.
- Signal lights on Mockingbird (See 23rd, Page 4A)

The Tri-Cities area was blessed with an old-fashioned Christmas yesterday. There was snow on the ground and near-zero weather. Christmas callers were sharply on the move. A dozen or more groups of carolers toured the city, singing on sidewalks and front lawns.

### Part I of II

On the night of Dec. 22, 1980, the emergency room at UCLA School of Medicine awaited the arrival of an ambulance.

Paramedics had radioed they had a heart-attack victim aboard. The patient was coughing blood, an ominous indication of congestive heart failure.

The swinging doors of the emergency room open — the rolling stretcher comes through — and the patient sits up, waves and grins and announces, "Gentlemen, I want you to know that you are looking at the darnest healing machine that was ever wheeled into this hospital!"

That was Norman Cousins.

His heart attack and his counter-attack are detailed in a book called "The Healing Heart."

From Cousins' response to two killer illnesses the science of medicine has learned much about the "unscientific" triumph of "mind over matter," of how humans can "think their way" into sickness — or out of it.

One day in 1979 a man named Harry Brink was escorted into the Pain Control Center at UCLA insisting that he could control pain

by Paul Harvey

and bleeding while lying on a bed of nails.

Well, now — the distinguished physicians present had seen yoga and vaudeville demonstrations where the bed of nails was so densely forested and the nails so blunt that no flesh was punctured and nothing of any scientific value demonstrated.

But Harry Brink insisted that he could demonstrate the ability of humans to preside over their own autonomic nervous systems.

Harry produced a board two feet by three feet studded with about 50 irregularly spaced sharp nails.

Each extended perhaps an inch and three-quarters above the board.

Harry asked for silence, then proceeded to lie down on the board. All present could hear the sickening pop of the flesh as the nails penetrated the skin. Witnesses, bending down,

could see little daylight between Harry's back and the board. The nails had penetrated at least an inch.

He lay there for about four minutes with no apparent pain or discomfort.

His eyes closed, he breathed deeply and rhythmically.

Then he rolled off the board and all present could see that his back was peppered with red puncture sites; no bleeding except for one spot on the shoulder where blood was spurting. When this was called to his attention he said, "Thank you!" and instantly the blood flow from that wound ceased.

Men of science had seen a man punctured in 50 places not bleeding except in one place and, when reminded, able instantly to arrest the flow in that place.

Norman Cousins was among the scholars witnessing this demonstration, reaffirming his own conviction that the life processes which go on inside the human body are, at least to a measure, controllable — for hurting or healing.

Further proof during our next visit.

## Plant lured to state, at gigantic cost

To the Editor:

When General Motors chose to locate its new Saturn plant in Tennessee, rather than in Illinois, many people — myself included — thought the state erred in offering specific, short-term incentives to Saturn.

What Saturn wanted, we argued, is a strange sort of reasoning that interprets these figures to mean that short-term tax breaks and subsidies are an effective strategy for economic development. In fact, they mean something quite different.

The decision by Chrysler/Mitsubishi to locate in Illinois proves two things: Illinois has the right location, transportation facilities, labor force, and amenities to attract a large manufacturer. And Illinois officials must offer huge tax exemptions and special subsidies to overcome public policies that cripple local industry and discourage new business from coming to the state.

Tax exemptions and special subsidies for one or two favored firms inflict further damage on companies already doing business in Illinois.

The overwhelming majority of firms in Illinois pay full taxes and receive no subsidies. The cost of Diamond-Star will perpetuate the taxes and policies that needlessly increase the cost of doing business in Illinois.

For 15 years, Illinois' economy has been stagnant. Since 1972, the gross state product has risen only 11 percent in real terms. At about one percent per year, this figure is well below the national growth rate of about 2.5 percent per year.

Since 1969, Illinois has lost an incredible 30 percent of its durable and nondurable manufacturing jobs — a loss of nearly 1 million jobs. The projected 1985 unemployment rate of 8 percent is the fourth highest rate

in Illinois since 1970. It is projected that unemployed workers will number 480,000 in Illinois this year.

For those familiar with this dismal record, the decision to locate the Diamond-Star plant in Illinois may be seen as cause for celebration. Unfortunately, the 2,500 jobs do not begin to recover the state's job losses over the past two decades.

More importantly, the tactics used by Illinois officials do not signal a change of thinking that will point the way to a more prosperous future for the state.

Tax credits, exemptions, abatements, and rebates by design cannot benefit all businesses equally. For that reason, they are not only of limited effectiveness; they also open the door for a politicization of the entire economic development process.

The effectiveness of Governor Thompson and the officials at the Department of Commerce and Community Affairs could be greatly improved if they did not have to rely on short-term gifts and promises of special treatment.

And the hundreds of thousands of businesses already here in Illinois might perform a little better if they no longer were forced to subsidize companies that compete with them for labor, materials and markets.

Illinois businesses need a large reduction in their relative tax rates and a regulatory climate conducive to their long-term growth.

Long-term economic growth does not make the big headlines that a Saturn or Diamond-Star plant make, but for thousands of Illinois businesses it can mean the difference between life and bankruptcy.

## Christmas - let it be

To the Editor:

In answer to your columnist's question: "Why... shouldn't Christmas be in July?" Christmas is Christ's birthday, and we all have that special day to celebrate.

As for the Australians being warm in December, if we forget the real reason behind Christmas we will all certainly find out just exactly how hot it can get — somewhere none of us want to go.

As for the bakers of "fattening things" that seem to go along with the holiday, I'm sure this goes on all year long with birthdays, weddings, etc.

Resolutions to stop smoking, lose weight and stop drinking are lost

limited to the New Year; these promises are also made all year long, and ultimately are broken.

As for your suggestion of a big barbecue in the back yard, if Christmas was what it used to be — for little children who believe in Santa and the older folks who give from the heart — there wouldn't be so many big headaches.

The small ones would be given their dolls, bikes and trucks. The older folks could just forget about blankets, sweaters and coats; these, too, are just everyday items, items that we tend to take for granted.

Think of the people who don't even know about Christmas, children with no toys, cookies, fruitcakes,

clothes, or even everyday food, unless some of us open our hearts and pocketbooks.

Let the children have their snowmen and snowballs for Christ's birthday. I'm sure they would enjoy this much more than a July barbecue.

So let's make Christ Number One the year-round and let's join together with family and friends at the church of your choice and give out lots of love — because if Christ carried His own cross to give us a better home to enjoy and has that much love, I'm sure we can share a little of ours for Him.

Spirit of Christmas

**MEN AND WOMEN OF STEEL** cooperated this Christmas to raise more than \$2,100 for the needy and also to directly provide baskets of food, toys and gifts for nine Quad-City families. Participating were the Granite City Steel Women's Club and the division's United Steelworkers, Chemical Workers and salaried staff. Theresa Dickinson, president of the Women's Club, is shown with some of the holiday presents. In addition, several employees helped fill a Christmas "wish list" for a family that has several children; included were toys, clothing and personal items. Many of the families being aided are not associated with GC Steel; examples of help provided are a utility bill payment, air fare for a grandson to visit his ailing grandfather, and grocery purchases. All of the assistance was separate from the \$196,200 gift to the Tri-Cities Area United Way by the Granite City Steel Labor-Management Torch Club.

## Holten: engagement off

GRANITE CITY — Holten Meats Inc. will not relocate in Granite City.

James Holten, president of the East St. Louis meat packing company, said Friday the move will not occur at this time.

"The engagement's off," Holten said.

IN EARLIER discussions, Holten

had referred to his relationship with the city as an engagement, not a marriage.

"We decided to reevaluate whether or not to stick out our necks that far by spending that much money," Holten said.

The City Council had approved an inducement letter in September of this year, to issue up to \$2.5 million

in industrial revenue bonds for the relocation.

**FIVE ACRES** in Northgate Industrial Park were being eyed for the move.

The relocation would not have meant any immediate job openings.

"It's nothing personal against Granite City," he said. "We just decided not to do anything."

### Blood drive set

A blood drive, sponsored by Quad-City Church Women United, will be conducted on Thursday and Friday, Dec. 26 and 27.

The event will be at the St. Elizabeth Catholic School cafeteria, Pontoon and Johnson roads. Thursday hours will be from 2 p.m. to 7 p.m. and Friday hours are 10 a.m. to 2 p.m.

This is a time of year when blood is urgently needed, a spokesman for the church women said.

### Cohn elected by Regional Forum

Robert Cohn was elected chairman of the East-West Gateway Coordinating Council's Regional Forum at a meeting Dec. 18. The Regional Forum, a citizens advisory group to the council's board of directors, elected Charles Billups as vice chairman. Both officers will serve one-year terms.

Appointed to two-year terms as Regional Forum members were Robert Allen and Sharon Ross of East St. Louis and Debra Moore of St. Clair County.

Members reapointed to the Regional Forum include John Scarpinato and Darby Tally of St. Charles County; the Rev. Arthur Ebeling of Franklin County; Robert Cohn and Jacqueline Niekamp of St. Louis County; and Michael Bingman and Joseph Olaszewski of Jefferson County.

## Company impresses GC officials

By SUSAN SIGNAIGO-WEICH  
Staff writer

GRANITE CITY — A trip taken to lure a Rhode Island plant into making a \$9.3 million expansion here left local officials impressed.

On Wednesday and Thursday, six area officials traveled to Eticam Inc. in Wickham, R.I., to view the operations at the plant. The company uses a German technique to extract precious metals from wastewater.

"THE PLANT was so clean, you could compare it with a hospital," said RC Bush, executive vice president of the Tri-Cities Area Chamber of Commerce. "I'm confident the plant will be able to meet local EPA (Environmental Protection Agency) standards."

Bush said he also was impressed with the modern equipment being used in the facility for the process. "The floors in the plant are designed so that if a spill occurs, the spill is drained off and pumped back into the system," he said.

Bush thinks the company's biggest asset to the area would be its ability to let other industries stay in business.

"EPA STANDARDS are very stringent now," he said. "If industry doesn't have a good method of cleaning its wastewater, it may not be able to stay in business."

The plant would also bring more industries to the area, he said. "Other companies that produce industrial wastewater (electroplaters and picklers) will want to be in close proximity to the plant," Bush said. "This is because the big-

## Could mean up to 150 jobs

GRANITE CITY — A proposed plant expansion, along with 100 to 150 immediate job openings, has created a spirit of cooperation between Alton and this city.

When Eticam Inc. of Wickham, R.I. announced it was considering building a plant locally, Alton offered to issue industrial revenue bonds to help finance the expansion, in addition to the ones being issued by the city here.

RC Bush, executive vice president of the Tri-Cities Area Chamber of Commerce, said he considers Alton's aid cooperative but not unusual.

"THIS IS NOT an uncommon practice," Bush said. "Alton apparently had not committed its bond

capacity for 1985, and the city stood to lose it."

Bush was referring to a cap placed on industrial revenue bonds by the state.

Since Alton had not committed all of its potential revenue bonds to industry in that city, it used the bond capacity to help Granite City.

GRANITE CITY'S bonding capacity did not come close to meeting the \$9.3 million price tag attached to the Eticam expansion. But Granite City's bonds, combined with Alton's, will be more than enough to finance the project, he said.

"Alton realizes the importance of a project like this for our area," Bush said. "It was a cooperative gesture."

night's meeting. Another factor the deal depends on is a lengthy permit process for the plant with the EPA, Bush said.

"I THINK THEY (Eticam) realize the market potential Granite City has," he said. "If everything goes well, construction could begin as early as the spring (1986), with the plant opening in September."

The most important step is the issuance of industrial revenue bonds that will allow the company to finance the expansion, Bush said.

The City Council is expected to approve an indenture letter for issuance of the bonds at Thursday

casion because of a rapid heartbeat. BRAUNDMIEER GIVES blood about four times each year and Mrs. Murphy gives two or three times a year, if her doctor approves.

"I feel it's a people helping people" thing. It only costs me an hour of my time to give blood. So why not?" Braundmeier said.

The Church Women United blood drive has a goal of 275 units during the two days.

HOURS OF THE DRIVE are from 2 to 7 p.m. Thursday and from 10 a.m. to 7 p.m. Friday.

The later hours are to accommodate those having to work both days, but still wishing to give blood.

## Notice of Closure

A plan to close the Jernison Wright Corporation hazardous waste management facilities located in Granite City, has been submitted to the Illinois Environmental Protection Agency (IEPA) pursuant to Subpart G of 35 Ill. Adm. Code 725. The site is operated by the Jernison Wright Corporation and will continue operations following closure of the hazardous waste management facilities. At this time the IEPA is also requesting that the facility provide information concerning any prior release of hazardous waste constituents from any solid waste management facility on the site.

Interested persons are invited to submit written comments on the plan or request modifications of the plan or provide information on the release, at any time, of hazardous waste constituents from the facility, within 30 days of the first publication date of this notice. Written comments must be addressed to the IEPA, Government & Community Affairs, Attn: Public Notice Clerk, 2200 Churchill Road, Springfield, Illinois 62706.

The site must be closed in accordance with the standards set forth in the Environmental Protection Act, Ill. Rev. Stat., Ch. 111½, Pars. 1001 et seq., and regulations adopted thereunder.

The proposed closure plan, closure, performance requirements, and other documents are available for inspection, and may be copied at a cost of 25 cents per page at the IEPA's Springfield headquarters. These documents are also available for inspection and copying at the Collinsville Field Office, DLPC Field Manager, 2009 Mail Street, Collinsville 62224 (618) 345-4660.

In response to requests or at the discretion of the IEPA, a public hearing may be held to clarify one or more issues concerning the closure plan. Public notice will be issued 30 days before any public hearing.

## Gabriel Shrine

### Yule party held

The December meeting of Gabriel Shrine 78, White Shrine of Jerusalem, was a Christmas party, with Worthy High Priestess Edna Brown and Lloyd Lewis presiding.

Past Supreme Worthy High Priestess Ruth Hartsoe was presented and escorted as a guest for the evening.

Others honored were supreme committee members, honorary officers and instructors from Gaspar Shrine, Wood River, Calvary Shrine, Cahokia, Galilee Shrine, Florissant, and Pride of the West, Creve Coeur, as well as Gabriel Shrine.

Past worthy high priestesses Karman Edmonds, Mary Ann De Hart and Dorothy Watkins were

presented, along with past watchmen of shepherds Albert Vengels and Earl French.

A memorial in remembrance of Cecilia Malatki was given, and those reported ill were Cleveland Cox, John De Hart, Sandy Simpson, Virginia Graham and Nadine Brown. The death of Esther Padden was noted.

A social hour was enjoyed in the dining room, decorated for the holiday season, and a gift exchange was a highlight of the evening.

Those on the kitchen committee were Mary Ellen and Lloyd Lewis, Alex and Oco Woods, Helen Schwendemann, Sue Williams, Mary Hoover, Della Aulbaugh and Edna Brown.

## Military notes

### TIMOTHY NICHOLS

Air Force Sgt. Timothy P. Nichols, son of Mr. and Mrs. Edward B. Nichols of Granite City, was awarded the Air Force Commendation Medal for meritorious service performed while stationed at OL-A at Fort Campbell, Ky.

He is an electronics specialist and currently is assigned as a technical instructor at Chanute AFB in Rantoul, Ill.

Nichols, 27, attended Granite City High School South before entering the Air Force March 30, 1981.

The sergeant is married to the former Lea Ann Reeves, daughter of Mrs. Ann Reeves of Granite City. The couple has two sons, Benjamin, 9 years, and Christopher, 4 years old.

### E.C. ADAMS

Marine Pvt. E. C. Adams, son of Carolyn J. Adams, 2308 Wilson Ave., has completed recruit training at the Marine Corps Recruit Depot in San Diego.

During the 11-week training cycle, Adams was taught the basics of battlefield survival. He was introduced to typical daily routine that he will experience during his enlistment and studied the personal and professional standards traditionally exhibited by Marines.

Adams participated in an active physical conditioning program and gained proficiency in a variety of military skills, including first aid, rifle marksmanship and close order drill. Teamwork and self-discipline were emphasized throughout the training cycle.

Adams is a 1984 graduate of Granite City High School.

### LARRY SCHLEICHER

Army Sgt. Larry W. Schleicher, son of Michael C. Schleicher, 3309 Bluebird Lane, and Carol S. Schleicher of Troy, Ill., has arrived for duty with the 36th Field Artillery Brigade in West Germany.

Schleicher, a security supervisor, was previously assigned at Fort Polk, La.

His wife, Sharon, is the daughter of Billie Bennet of Lake Charles, La.

Schleicher is a 1980 graduate of Northwest Missouri State University, Maryville.

### MICHAEL GAINES

Michael A. Gaines, son of Betty L. Gaines, 2805 Yale Drive, has been commissioned a second lieutenant in the U.S. Air Force upon graduation from Officer Training School at Lackland Air Force Base, Texas.

The 12-week course trained selected college graduates to apply communicative skills, professional knowledge, leadership and management in positions of responsibility.

Gaines will now be assigned at Homestead Air Force Base, Fla.

His wife, Sandra, is the daughter of Mr. and Mrs. Chester (Evelyn) Seeger of Hilton, N.Y.

The lieutenant is a 1984 graduate of Southern Illinois University at Edwardsville.

### ROBERT YELEY

Army Pvt. Robert D. Yeley,

son of Kathy A. Howard of Sherman, Ill., and Jerry D. Yeley, 16 Lucky Lane, Granite City, has arrived for duty with the 588th Transportation Company in West Germany.

Yeley, a vehicle driver, was previously assigned at Fort Leonard Wood, Mo.

He is a 1985 graduate of Williamsville High School, Ill.

### KENNETH MAIER

Navy Airman Recruit Kenneth E. Maier, son of Rebecca J. Maier, 3941 Village Lane, has completed recruit training at Recruit Training Command in Orlando, Fla.

During Maier's eight-week training cycle, he studied general military subjects designed to prepare him for further academic and on-the-job training in one of the Navy's 85 basic fields.

Maier's studies included seamanship, close order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in physical education and hygiene.

A 1985 graduate of Greenwood High School, Collinsville, he joined the Navy in September 1985.

### JOY L. FAVIER

Staff Sgt. Joy L. Favier, daughter of Joe H. Aschbacher of Eagle Pass, Texas, has graduated from the Air Force non-commissioned officer leadership school at Keiser Air Force Base, Miss.

The sergeant studied techniques of leadership, management and supervision.

Favier is an instructor with the 3390th Technical Training Group. Her grandparents, Joe and Mayne Aschbacher, reside in Carlsbad, N.M.

The sergeant's husband, Air Force Staff Sgt. David E. Favier, is the son of Herbert E. and Viola R. Favier, 2139 Cleveland Blvd.

### JEFFERY COX

Army National Guard Private Jeffery L. Cox, son of Mable P. Cox, 36 N. Wilson Park Drive, has completed one station unit training (OSUT) at the U.S. Army Infantry School at Fort Benning, Ga.

OSUT is a 12-week period which combines basic combat training and advanced individual training.

The training included weapons qualifications, tacticals, patrolling, landmine warfare, field communications and combat operations. Completion of this course qualifies the soldier as a light-weapon infantryman and as an indirect-fire crewman.

Cox was taught to perform any of the duties in a rifle or mortar squad.

### SHERETTA M. GREEN

Airman Sheretta M. Green, daughter of Shirley R. Green, 6232 Salvator Ave., Venice, has been assigned to Lowry Air Force Base, Colo., after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, Texas, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, she earned credits toward an associate degree in applied science through the Community College of the Air Force. Green will now receive specialized instruction in the supply field. She is a 1985 graduate of Madison Senior High School.

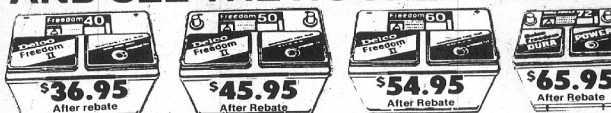

### SHARON PRATT

Pvt. 1st Class Sharon K. Pratt, daughter of Virginia L. Jones, 2513 Iowa St., has completed basic training at Fort McClellan, Ala.

In the training, students received instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy, military justice, first aid, and Army history and traditions.

Pratt is a 1978 graduate of Broken Bow High School, Okla.

## Church news

By DONNA KIMBRO

Staff writer

**THE FRIENDLY CIRCLE CLASS** of Dewey Avenue United Methodist Church attended a holiday party at the home of Evelyn Hamilton.

The Rev. Vernon Brown, church pastor, offered prayer and President Evelyn Thompson conducted a business meeting.

Members agreed to send donations to the Methodist Children's Home and to the White Christmas fund of the church, and to deliver gifts to shut-ins.

Attending were Tinnie Webb, Lora Hancock, Virgie Settle, Elsie Byrd, Millie Sherman, Geneva Goleman, Fern San Soucie, Mary Davis, Mayme Waggoner, Mary Hanfelder, Lucy Testerman and guests, Gladys Potillo and Mary Bunn.

The class teacher, Mrs. Settle, entertained the group for a yuletide meeting the following week.

Attending were Madara Shaw, Evelyn Hamilton, Millie Sherman, Lucy Testerman, Elsie Byrd,

Mayme Waggoner, Evelyn Thompson and Mary Hanfelder.

**THE AFTERNOON CIRCLE** of First Presbyterian Church met at the church for its holiday party and donated \$45 to the layette project of Church Women United in lieu of a gift exchange.

Hostesses were Mesdames Bess Henley, Virginia John, Arline Fox, Dee Roberts, Anna Lee Beger and Louise Mull. Dee Roberts gave the invocation and introduced five guests, Mesdames Burdine Heltzsch, president of the Presbyterian Women, Betty Schmiedake, retiring president, and Shirley Lane, Helen Takmajian and Marie Fanning.

Games were played after a luncheon and everyone received a prize. Others attending were Mesdames Edith Chappie, Viola Edwards, Irene Gray, Mary Hagaman, Alvina Mulberg, Corrine McCollum, Mildred Meek, Ruth Moore, Gladys Pape, Melba Wade, Anna Mae Wetton and Mary Wilkins.

## Social notes

By DONNA KIMBRO  
Staff writer

**AMERICAN LEGION** Post 113 and Auxiliary Unit 113 members visited the John Cochran Veterans Hospital in St. Louis for a Christmas social last week.

They distributed gifts to the patients and served dessert and coffee while there.

Attending the event were Bill and Katie Barks, Gene and Maxine Bradtke, Jim and Virginia Egan, Dave Eckert, Vi Kassabaum, Shirley Kowalk, Peggy Webb, Vince Burnette, and Valerie Begerstaff and daughter, Sara, who is a member of the Junior Girls Auxiliary.

**A CHRISTMAS PARTY** for members of the Noon Day Opt-Mrs. Club was held at Charlie's Restaurant, hosted by Mesdames

Dave Giese, Norman Hall, Harry Odum and Elmer Branding.

Mrs. Giese gave the invocation and Mrs. Victor Anderson conducted a business session.

Mrs. Harold Fischer was accorded honors for her birthday this month. The Optimist Club invited the members to attend its holiday luncheon.

The group signed a greeting card to be sent with a gift to Kathryn Burns, a student nurse sponsored by the club.

Prize winners were Mesdames David John, John Kirchoff, Alfred Pape, Harold Fischer and Elmer Branding. A gift exchange was held. Others present were Mesdames Maurice Daley, Wilbert Engelke, Randall Irwin, Douglas Little, Lawrence McCauley, Larry Melvin, B.C. O'Neill, David Parrish and Wallace Wyman.

## New Year's Eve party planned

An areawide New Year's Eve party has been planned for Tuesday, Dec. 31, from 9 p.m. until 1 a.m. The party, to be held at the Granite City Township Center, 2060 Delmar Ave., is open to all the public aged 12 years and older.

There is a \$5 charge per person for the New Year's event, entitling the purchaser to participate in all of the

evening's activities, including food and drinks, games and entertainment provided by the local band, Obadiah.

The late-night event is being planned by local churches. Questions and ticket requests are being directed to the Rev. Mark Maynard at 931-4090. Tickets will also be sold at the door.

## On board activities keep a cruise ship's passengers hopping

What can one possibly find to do on a cruise ship for 10 whole days? Answer: Plenty! In fact, no one can possibly do everything that's available without dropping from sheer exhaustion.

While eating the sumptuous food offerings can be a 24-hour a day endeavor, if you require something a bit more challenging, how about water volleyball - in deep water?

Volleyball, basketball, shuffleboard and ping pong tournaments provide excitement for the competitive set, while athletic types who'd rather set their own pace, can opt for aerobics classes and mile-walks every day, jogging on deck, fully equipped gym and sauna, and, for when you finish with all that, a massage.

For the less active set, there are bridge lectures and tournaments, trivia tourney, bingo and gin rummy contests. There are also special presentations on topics ranging from creative napkin folding to grandma's bragging party to lectures on upcoming ports of call.

Or maybe you'd just like to relax with a good book from the Fairwind library, splash in one of three swimming pools or take a nap in your luxuriously large stateroom.

But don't sleep too long - there's a popular movie at the cinema, there's musical afternoon tea with some great piano sounds, and the chic, duty-free shipboard shops are beckoning with bargains.

When the tropical sun slips behind the watery horizon, the activity really heats up. Sitmar's brand new \$1,000,000 Treasure Quest game show is open to all passengers, giving them the chance to win money and prizes; entertainment in the main lounge runs the gamut from musical revues and comedians to instrumentalists, magicians, singers and well-known entertainers.

For the "high rollers" there's an action-packed casino, plus horse racing excitement in the main lounge.

Top it all off with a margarita or pina colada at the ship's night club, where you can dance until the

wee hours of the morning as a DJ spins the latest records.

For the small set, there's a fully staffed, fully equipped Youth Center, with enough activities to keep toddlers to teens on their toes. A

beauty salon and barber shop are available for your grooming needs, while a laundry room is always open for use.

News of the world outside is brought to your room each day, so

you can keep up with the front page headlines, your favorite team's daily scores and the Dow Jones Averages.

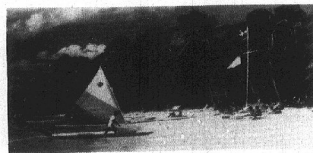

Tomorrow's another day - time to start all over again.

## Festive sweet breads fine for flavoring holidays

Breadmaking is a passion for many cooks. Men and women, young and old, enjoy making yeast breads for their own consumption or for holiday gifts.

During the holiday season, breads shaped in unusual ways can decorate a table.

Braided Wreath Bread is flavored with dairy eggnog and nuggets of candied cherries, raisins and lemon peel. It can be topped with a confectioner's sugar glaze made with eggnog or brushed with an egg yolk glaze. For use as a centerpiece, the wreath can be decorated with a ribbon bow. Clusters of butter-rich yeast dough, accented with cinnamon, pecans and raisins, can be baked into a Tree Pull-Apart. The coffee-cake can be decorated and served on a platter for a holiday brunch or the family's New Year's breakfast.

Dairy eggnog can be used as a baking ingredient or as an accompaniment to those freshly baked breads.

### Wreath bread

- 2 pkg. dry yeast
- 1/2 cup warm water (105°-115°)
- 1/2 cup dairy eggnog
- 1/2 cup butter
- 1/2 cup sugar
- 1 tsp. salt
- 3 to 3 1/2 cups flour
- 1 egg
- 1/2 cup chopped candied cherries
- 1/2 cup golden raisins
- 2 tsp. grated lemon peel

Dissolve yeast in warm water. Heat eggnog, butter, sugar and salt until warm. Combine 1 1/2 cups flour, yeast mixture and eggnog mixture in a large mixing bowl; mix thoroughly.

Add egg, cherries, raisins, lemon peel and enough remaining flour to make a soft dough. Knead on lightly floured surface until smooth and satiny, about 10 minutes.

Place in a well-buttered bowl, turning to butter top. Cover. Let rise in warm place free from draft until doubled in bulk, about 1 hour.

Punch dough down. Divide into 3 equal pieces.

Roll each into a rope 18 inches long. Braid.

Shape into a wreath on buttered cookie sheet, placing a buttered 3 1/2-inch diameter eustard cup in center. Press ends together to seal.

Cover; let rest until double in bulk, about 30 minutes.

Bake 35 to 40 minutes at 350°.

Cool completely in pan on wire rack.

### Tree pull-apart

- 1 pkg. dry yeast
- 1/2 cup very warm water (105°-115°)
- 1/2 cup milk
- 1/2 cup butter
- 1/2 cup sugar
- 2 1/2 to 3 1/2 cups flour
- 1/2 cup golden raisins
- 1/2 cup chopped pecans
- 1 egg
- 1 tsp. cinnamon
- Milk

Glaze: 1 cup confectioner's sugar, 1 to 2 tbsp. milk, 1 tsp. vanilla. Candied pineapple, chopped Pecan pieces

# • Breads great for holidays and not difficult to make

(Continued from Page 1B)

For coffee cake, dissolve yeast in warm water.

Heat milk, butter and sugar until warm (100°-110°). Combine 1 cup flour, yeast mixture and milk mixture in a large mixing bowl; mix thoroughly.

Add eggs, raisins, nuts, cinnamon and enough remaining flour to make a soft dough.

Knead on lightly floured surface until smooth and satiny, about 10 minutes.

Place in well-buttered bowl, turning to butter top. Cover; let rise in warm place free from draft until double in bulk, about 1 hour.

Punch dough down. Divide into 18 equal pieces.

Roll into balls and place on buttered cookie sheet in tree pattern. Use three vertically for trunk, then five horizontally for base of tree. Use one less on each row, abutting rows lightly, until there is only one on top.

Cover; let rise until double in bulk, about 30 minutes.

Brush lightly with milk. Bake at 350° for 20 to 25 minutes or until light brown. Cool on pan on wire rack.

For glaze, combine confectioner's sugar, milk and vanilla. Mix well.

Place cake on serving plate. Drizzle glaze over cake. Decorate with pineapple and pecans. Serve with butter.

May your holiday be merry.

## Granite city police arrest two armed robbery suspects

Two men were arrested in Granite City about an hour after they allegedly robbed at gunpoint an Edwardsville service station/convenience store early Dec. 18, Edwardsville police reported.  
The armed robbery occurred at 2:15 a.m. when two men armed with a sawed-off shotgun entered the E-Z Shop, 629 W. Schwarz St., and demanded money from the attendant and another man.  
Police were told the two threatened to kill both the attendant, David B. Moore, 23, and a friend, Timothy Helfrich, and shot out a window of the store after taking about \$500 from the store and the men.

THE ROBBERS FLED on foot and, according to police, went to the home of an Edwardsville man and asked him to drive them to Brooklyn.  
The man agreed and the three were en route to Brooklyn when their car broke down at the intersection of Edwardsville Road and Alexander Street in Granite City about 3:11 a.m.

A Granite City police officer, on patrol, stopped to assist the three in getting their car started and, return to his squad car, heard a police radio description of the two armed robbers.  
The police officer then radioed his

headquarters for assistance, having recognized the description of the two robbers.  
"GRANITE CITY police descended in great force on the three suspects," a grateful Edwardsville officer said.  
A search of the vehicle and the two robbery suspects turned up clothing described by the two Edwardsville victims, a sawed-off shotgun, and a large amount of currency.  
Charged with armed robbery were John A. Johnson, 23, of 116 Thomas

Terry Apartments, Brooklyn, and Roy R. Harper, 22, of 169 Maryland, Centerville.  
Both were held in the Madison County jail, with bond set at \$100,000 each.

## Trojans miss chances; 'Devils survive in OT

By DAVE WHALEY  
Staff writer

MADISON — The two coaches told the story. Clinton Harris strolled contentedly across the gym floor while Rodney Watson paced around in his office like a caged lion.

It didn't take a genius to figure out that Harris' Venice Red Devils had slipped by Watson's Madison Trojans, 55-53, in an overtime thriller here Friday night.

"We're just not there yet," Watson said. "We turned the ball over too much and you can't do that in this caliber of basketball."

A screaming, capacity crowd had just witnessed 35 minutes of high-emotion play that left Venice at 3-1 with its fourth win in a row. The Trojans lost their second in a row and are 4-3.

"We came in here figuring it would go down to the wire," Harris said. "Madison has a real good team, but we put it in the players' heads that we could come in on their home ground and get one."

They got it, but not without some dramatics. Venice led throughout most of the middle part of the game before falling behind, 44-42, when Chandler Terrell stole the ball and

got a layup with six minutes left in the fourth quarter.

Eric Jacks, Madison's 6-6 center who led the Trojans with 25 points and 14 rebounds, hit a turnaround jumper to put the home team up by 4 points, but Venice hung tough.

Ed Ware hit a basket to cut the margin to 48-46, and then Madison blew two chances to wrap the game up. Jacks travelled, then Anthony Valentine made a steal but the Trojans lost the ball out of bounds with 30 seconds left.

The Red Devils then turned to their main man, 6-4 junior forward Jesse Hall, who had 26 points. Hall tied the game with a soft jumper. Jacks countered with a stuff at the other end to give Madison a 2-point edge. But Ware tied it again, 50-50.

The Trojans then had their best opportunity to win. They ran the clock down to 4 seconds and called timeout. The ball was inbounded to forward Reggie Younace, whose desperation shot from the baseline hit the side of the backboard.

But wait a minute! Young was fouled by Ware, and the senior went to the line with 3 ticks left on the clock, needing only to make one shot to leave Venice in dire straits.

Venice called timeout. Young missed the first one. Venice called timeout again, then Young missed the second one.

Did the timeouts "freeze" Young? "That doesn't make any difference," Watson said. "That's Dick Vitale stuff. It doesn't win or lose any games."

Ware, who ended up with 10 points, hit an 18-foot rainbow to put Venice up a minute into the three-minute overtime, then Hall rebounded a missed Valentine shot and went the length of the court to can another 15-footer to make it 54-50.

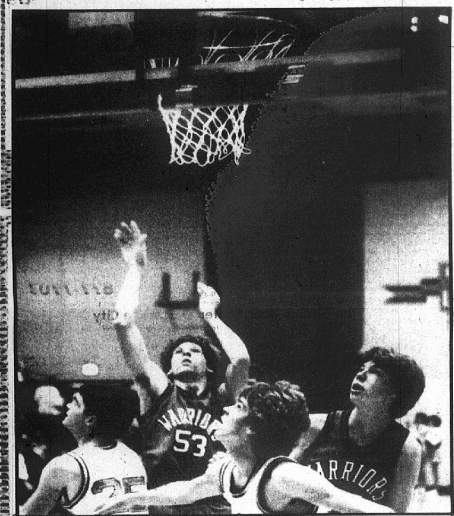

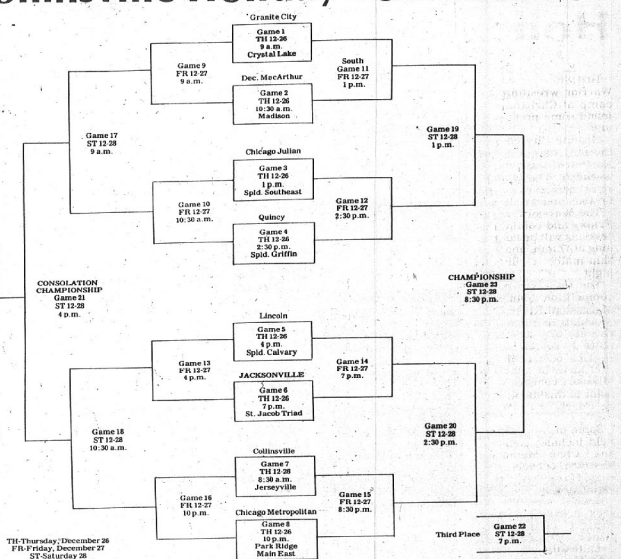

Jacks hit two free throws with one minute left, then Hall dribbled the ball off his foot out of bounds.

Darnell Marshall missed, Jacks rebounded and was fouled with 40 seconds left. But he made only one of two free throws. Madison fouled three times before Venice went into the bonus situation, when Judious Kizart hit a free throw with two seconds left to make it 55-53.

The Trojans were 70 feet away with two seconds left, but they almost pulled it off. Valentine hit Young at the free throw line, and Reggie spin and put the shot up. It

## Warriors stay hot

By GARY KING  
Staff writer

BELLEVILLE — The Granite City basketball team entered the '85-86 campaign with something to prove.

Due to the loss of four of last year's starters to graduation, coach Don Deterding thought that this would be a rebuilding year for the Warrior program.

However, if the Warriors continue at their present rate, the word "rebuild" will be replaced by the term "repeat" — as in a repeat of last year's squad which managed a Southwestern Conference championship.

Deterding thought that his squad would be facing their "toughest game of the year" Friday night against the Belleville East Lancers. Although the Warriors only won by six points, 75-69, they showed that they have the ability not only to win, but to dominate.

While the Lancers entered Friday's action with only one win (that being a 64-58 triumph over Alhoff), they were a bona fide threat to Granite City's unblemished 6-0 mark.

While they had lost 7-foot center Gary Leonard to graduation, East had replaced him with a 6-8 junior named Volkmann, who had averaged just under 20 PPG in the Lancers' first five contests.

In order to win the Warriors needed a David-like performance out of center Chris Viezer, who had struggled in his last three starts.

Viezer lessened the impact of Volkmann's 25 points by pouring in 24 of his own en route to Granite City's seventh straight win of the young season.

Before the Lancers had a chance to break sweat, the local five had scored 10 unanswered points to open the contest. Behind some nifty outside shooting, and tenacious, unyielding defense, the Warriors held a comfortable 20-6 lead at the end of the first quarter.

East opened the second quarter by rattling off eight straight points, which cut the Warrior advantage to

# Wrestlers still rolling; Holiday tourney is next

**By GREGG OCHOA**  
**Executive Sports Editor**

HOUSE SPRINGS, Mo. — The Warrior wrestling team will break camp at Christmas having already found some presents in their stockings.

Granite City continued to pile up the wins, capturing first place in the Northwest Quad meet here over the weekend. The win upped the Warriors' record to 8-0 as they prepare for the annual Holiday Tournament.

The Warriors' tourney will begin Friday and continue Saturday. Two sessions will be held each day beginning at 11 a.m. and 6 p.m. Championship matches will be held Saturday night.

The tournament features quality competition from both sides of the Mississippi River. Traditionally, individuals and teams who do well at Granite City also fare well in their state's respective district and regional competitions.

"I know in talking to some of the Missouri coaches they really try to point to this meet," said Granite City Coach Walt Whitaker. "So do we."

Some of the teams entered in the field include: Belleville East, Roxana, Civic Memorial and Triad. Missouri schools participating include Hazelwood Central and River-view Gardens.

Roxana won the team title last year, breaking a stranglehold of 13 straight championships held by either Riverview Gardens or Granite City.

At House Springs, the Warriors

dominated the meet, scoring 138 points. St. Charles was second with 124 points, House Springs was third (89) and Farmington was fourth (52 points).

Granite City wrestlers captured seven of the 12 individual weight classes as the Warriors won the team title.

First place winners were Brent Davis (98), Gary Mann (112), Brett Carner (119), Tracy Morrison (126), Chuck Sparks (132), Dennis Gabriel (145) and Mike Penoglio (155).

Granite City also got second place finishes from Jon Morgan (138), Chris Greer (185) and Ross Karbarski (HWT).

The victory at House Springs was the second consecutive triumph for the Warriors in that quad meet.

Granite City tuned up for the meet by thrashing Belleville West last Friday, 46-12, in a dual meet. It was Granite City's first Southwestern Conference victory.

Prior to that, the Warriors had been idle since pounding Jerseyville Dec. 6. A Dec. 13 match against East St. Louis had to be cancelled due to some internal problems at East St. Louis.

"We didn't take a forfeit because we hoped to still get that one in," Whitaker said.

So the only action the Warriors saw was in the wrestling room.

"I thought it would bother us," Whitaker said of the layoff. "But the kids responded well. They worked real hard in practice."

"We were able to get some good competition in the wrestling room,

but I was sort of surprised that we had that many champions."

Granite City's toughest challenge came from St. Charles, not from the host Northwest team as expected.

House Springs, which won the Missouri team title two years ago, finished third.

St. Charles scored just 64 points at last year's meet, but placed second Saturday.

"They had a lot of kids back and had a tough team," Whitaker said. The Warriors shuffled their lineup over the weekend to get more wrestlers meet experience.

"Everybody from 112 to 138 (pounds) came down a weight," Whitaker said. That allowed the Warrior coach to plug Jon Morgan into the lineup at 138 pounds.

Freshman Chuck Sparks had been wrestling at 138 but he moved up to 132 pounds for the meet.

The movement obviously didn't affect the flow of things as the Warriors had 10 wrestlers place.

After Christmas, the Warriors will point towards the Holiday tournament, the 25th year the tourney has been held.

Team scores will be tabulated based on the performance of individual wrestlers.

"In this kind of tournament you don't have to have a well-balanced dual team to do well," Whitaker said. "The points are usually spread out. If you get a lot of seconds you can do all right."

Wrestlers were not seeded for this weekend's tournament. Opponents will be chosen by a blind draw.

20-14. The Warriors answered the Lancers threat by exploding for a 16-2 run, with Tim Hogan and Vizeer contributing six points each, to give Granite City a 40-25 lead at the end of the first half.

"We played well up to the one minute mark of the first half. From there we made some bad passes, and some dumb fouls. We caused our own problems," Deterding said.

"I'd have to say that we hurt ourselves more than they hurt us. But I'd say that the score indicated the toughness of our opponent."

"I was very satisfied with the play of Vizeer, he's been pushing too hard the past few games, and he has been down mentally. He really played a super ballgame tonight. Our guards did a super job of getting the ball in to him, I don't want to take away from them. I think Joe Gray, Timmy Hogan, and Vizeer played very well tonight," said Deterding.

A much relieved, and satisfied Vizeer gave him the credit of his heroics to Deterding.

"I knew that Volkman would be tough, I think Joe Gray, Timmy Hogan, and Vizeer played very well tonight," said Deterding.

## Red Devils

hung on the rim for a second, but fell off, and the small but boisterous Venice rooting section went wild.

"It just shows the great athletic ability of Anthony and Reggie that we were able to get that shot off," Watson said. "It just didn't fall for us."

"That was a mistake on our part that they were able to make that play," Harris said. "Fortunately, it worked out for us. But we made some crucial turnovers when it was 51-30 to get them back in it."

Harris said the games with Madison are looked at as just another regular season game for his team.

"What really matters is the regional," he said. "Of course, if we had lost, it would have given them an edge there."

The edge on Friday belonged to the Red Devils, thanks mainly to Hall. He scored, rebounded and was often asked to help bring the ball up the court. Early in the third quarter, he glided to the basket and drove home a thundering slam, but was called for charging. Later, he followed a missed shot by Kizeart with another big slam.

"Jesse's fantastic," Harris said. "He really helped us through this game. He's still got some things to work on, but he is a junior. I'll still have him next year."

"No question he's a great player," Watson said. "He makes the difference."

A small difference, though. The

two teams are evenly-matched, as is obvious from the closeness of the game.

"When we're battling like this, we have to capitalize on our breaks, and we didn't do that," Watson said. "It's tough when you have five seniors on the floor and you turn the ball over. But the kids gave 100 percent, and that's positive."

The heart-breaking loss should not hurt the Trojans as they prepare for the Collingville Holiday Tournament this weekend.

"Kids aren't like coaches," Watson said. "They will be able to get over this defeat. If we're any kind of a team, we'll be able to shake it off and think about Decatur MacArthur (the first round opponent at 10:30 p.m. Thursday at the Fletcher Gymnasium in Collinsville)."

Madison was 8-for-6 from the floor in overtime and 24-for-61 (39 percent) for the game. They also made only 5-of-13 free throws. Venice was 21-of-44 (48 percent) and they made their only two shots in overtime. The Red Devils were also 15-of-17 from the free throw line.

Venice plays Thursday at 1 p.m. in the Columbia-Freeburg Tournament in Columbia. The opponent is Cardinal Ritter.
